While carrying a sofa across Wabash ave. near 11th st., Paul Rickman, 44 years old, 6832 Winchester ave., was killed by an automobile last Thursday. Rickman drove a furniture truck for Marshall Field and company, and was delivering an order for that firm when the accident occurred.

Stephen J. Stiens, 3318 N. Hoyne ave., the driver of the machine which struck Rickman, was held to the grand jury on a manslaughter charge by the coroner's jury, investigating the man's death.

MAKE PRIEST SECRET PAPAL CHAMBERLAIN

Recognition of seventeen years' work for the Catholic Church Extension society was accorded the Rev. Father William D. O'Brien, a former assistant at St. Basil's church and first graduate of De Paul university, by his appointment as secret chamberlain to the Pope.

Word of the promotion reached him May 11 while he was on board the train which carried George Cardinal Mundelein and his party home from New York to Chicago.

Investiture in his new office will occur in the near future, after which he will be designated as the Very Reverend Monsignor. The position is an honorary one and makes him a member of the papal household, although he will not be called upon to go to Rome.

Added to his work of vice-president and general secretary of the Catholic Church Extension society, with headquarters at 180 N. Wabash ave., the Rev. Father O'Brien also is assistant editor of the society's organ, "The Extension Magazine."

50 COMPANIES FIGHT STOCK YARDS BLAZE

West Englewood Man Falls to Death While Watching Fire

Fire of unknown origin late Saturday afternoon resulted in thousands of dollars damage to property of the Union Stock Yards and Transit company, and was the indirect cause of the death of William Kirk, a spectator, who lived at 6242 Artesian ave.

The flames were believed by some to have been started when a lighted cigarette stub was thrown into a hay pile in sheep pen No. 1. However, W. J. O'Connor, assistant to general manager O. T. Henkle, stated Monday morning that he and other officials did not credit this opinion as being correct, and were undecided as to the probable origin of the fire.

Spreading from pen No. 1 at 42nd and May sts., the flames destroyed property in an area of five or six acres, threatening to sweep through the whole yards. Fire Chief Edward J. Buckley ordered a 4-11 alarm to be followed by six special calls, bringing more than fifty companies to the scene.

Several of the pens destroyed were built in 1865 and were landmarks in the Yards. When the firemen first arrived flames were leaping toward the main office building of Armour and company, but were soon checked. Spectators estimated the loss at between $60,000 and $100,000, but the exact amount cannot be determined for several days until the owners can complete their survey of the fire-swept property.

The fire and smoke attracted throngs of spectators, who jammed the wooden viaducts. One of the fire fans, William Kirk, 38, a painter, fell from the top of a sheep pen where he had climbed to watch the flames. Fractures of both wrists and several ribs, as well as internal injuries were received, from which he died Monday morning at 5:45 o'clock in the German Evangelical Deaconess hospital. A coroner's inquest was held Monday at 2 o'clock at the undertaking establishment of John Thompson, 809 E. 75th st. Mr. Kirk leaves a widow and three young children, William, Elmer, and Irene.

THOBURN COMPLETES RAISING OF $80,000

In celebration of the raising of $80,000 for the erection of a community house, which is to be accomplished by Sunday, that day has been designated for the holding of a "Jubilee Service" at Thoburn Methodist Episcopal church, 64th and Paulina sts. Invitations have been sent out by the board of trustees asking those who have made contributions to attend a special evening service at 7:45 o'clock in the evening.

A special musical program has been arranged, to be followed by a sermon by the pastor, Dr. John H. DeLacy. Selections will be given by the Thoburn choir and orchestra, and the "brothers-in-law quartet," composed of Hugh Stewart, John Keir, W. C. Groebe, and Archer Ballantine, will sing.

Early in March the campaign to raise $80,000 was started after a lot opposite the church had been donated for the purpose by John Bain, South Park commissioner.

With the subscriptions which have been raised all indebtedness on the church property will be cancelled, and the new structure will be built. No contributions will be asked at the Sunday evening service.

POCKET IS PICKED ON 63RD ST. CAR

Besides the money raised for the scholarship, the financial report showed that the association had contributed $163 to the welfare fund of the school this year as well as providing $30 for supplies in the hospital room of the high school.

THEY DON'T LIKE THIS WILSON RD. BUSINESS

Residents in Vicinity Want Street to Remain Western Ave.

Western ave. will not seem the same thoroughfare with any other name, business men and residents located on the longest street in Chicago have decided. Woodrow Wilson road smacks of patriotism and calls to mind a prosperous avenue of similar title on the north side, but it has few supporters in the vicinity of 63rd st. and Western ave., an Economist questioner discovered.

New sign posts bearing "Woodrow Wilson road" will not be needed out that way if a petition bearing 1,000 names of disgruntled property owners and others is effective in convincing the city council that the changed name is not welcome.

Alderman Adamowski introduced a resolution into the council that became an ordinance a short time ago, providing that Western ave. be called in the future after the war president. Now residents along the newly named highway want the name changed back to what it was.

Hunting used to abound in the cabbage patches lining the sides of the road when Ray Killham, who now keeps an auto accessories store at 6345 Woodrow Wilson road, was a boy. He remembers the road when it was comparatively new, and thought "Western ave." suited it. He still thinks so.

Wooden planks were stretched out for a road a few years before the late John H. Pryor bought a home on the thoroughfare. Old settlers used to call it Blue Island road, because from 63rd st. it was eight miles to Blue Island and eight miles to the Chicago Cook county court house downtown. The road was the chief entrance to the city from Blue Island.

Other than "Blue Island road," it had no name and soon became known as "Western ave." The territory around Western and 63rd was then West Lynne subdivision. That name appears on the deeds of Mrs. Rose O'Connell's property where she lives now. She was the daughter of Mr. Pryor and has resided in the old homestead at 6347 Western for fifty years.

"They say old folks like old things best," said Mrs. O'Connell, who is among the best known of West Englewood's "old settlers." "I am used to Western ave. and it seems long and unhandy to have to put "Woodrow Wilson Road" on my letters as the return address."

It has always been customary for Gus and Peter Bratsos to refer to their place of business as "the White House cafe, right near 63rd and Western." They say most people coming to that vicinity are familiar with the location of their eating house and they don't like the necessity for furnishing a different description of its whereabouts.

"We were among the first to sign the petition to get the old name back," said Peter Bratsos.

Business suffers from confusion of names and Mrs. M. Thormahlen, who has been located a little over a year at 2408 W. 63rd st., thinks that one "Wilson name" for a city is enough, even if Woodrow Wilson rd. and Wilson ave. were not named for the same person. She keeps the Marquette Lingerie shop near what was Western ave., and will be pleased if the old name is returned to.

ARREST LANDLORD, HOUSE NOT HEATED

Failure to obey the orders of the health department in furnishing heat to his tenant caused the arrest of Joseph Wrubleski, 5817 Whipple st., Sunday.

Wrubleski's tenant, Fred Pahl, who lives in the same building with his landlord, complained to the health department about the coldness of the house early in March. Health Officer P. J. O'Brien warned Wrubleski and when he received promises that the house would be properly heated he took no action in prosecuting him.

Complaints came in again from Pahl and on May 6 he went to the house and found no fire either to heat the house or the water. Officer O'Brien secured a warrant for Wrubleski's arrest.

When arraigned in the renter's court Monday Wrubleski was given a week's continuance when the counsel asked time to prepare a case.

Mr. and Mrs. Joseph Lawrence entertained Miss Ellen Rose Warner and Jack Boyett Friday evening, May 16, at a mah jongg party at their home, 2437 W. 62nd st.

AND NOW THE BOYS HAVE THEIR INNING

Chicago's greatest problem—her boys and girls, the men and women who will tomorrow be her rulers and workers, teachers and preachers, rich and poor. Girls of the city have recently observed their first annual Girls' Week, and this week, May 18 to May 24, the city's attention is centered on her young manhood. Schools and many organizations are co-operating in the observances which will close Saturday with the Boys' Loyalty Parade. Chicago's greatest problem—and why? There are men in the world who, like Topsy, "just growed up" and made a good job of it. There are many others, whose lives have not, in youth, had the proper guidance and inspiration, who constitute the misfits in life, the ineffectuals, the unhappy slaves to habits, and the criminal classes. All of whom contribute their bit to the lowering of a nation's general standard of citizenry.

There are a lot of healthy, happy boys in Chicago. But there is the other side. In one year 1,700 boys were confined, at different times, in the Cook county jail and there were more than 9,000 boys under 21 years of age, within the same period, who were brought into court on delinquency charges. Authorities say that 80 percent. of Chicago's banditry is perpetrated by boys under 20, indicating a marked lowering in the average age of criminals in recent years. There is something wrong. Chicago has, somehow, failed to properly care for her boyhood.

An adequate solution of the situation we will be long in reaching. But more attention given to the boys, to the providing of wholesome recreation, better schools, and improved home conditions for them and the elimination of influences that develop gang rowdyism and banditry, will help and help immediately. Compare the sums spent annually on protecting life and property from boy bandits with the amount expended in conscious effort at making potential law breakers into useful citizens. There is a chance for the practice of economy.

Boys' Week is a valuable institution and we should not overlook some of its deeper significances.

PREVENTION OR CURE?

The policeman who is delegated to keep motorists driving below a certain speed limit has a hard job and he has our sympathy. Queer thing how the man at the wheel feels the urge to "step on it" every time he thinks he can "get away with it"—queer, but it seems to be human nature and that urge is one of the things the traffic cop has to deal with. That urge and its satisfaction has resulted in the compiling of long lists of dead and injured in Chicago, lists that will continue to grow as long as speeding continues on busy city streets. It seems that the best way to deal with the situation is to convince the motorist that he can't "get away with it."

Perhaps a change of system is advisable. A speeder is arrested and fined. He's not likely to drive too fast again soon, but how about the fellow that is bowling merrily along the boulevard while the officer is testifying in court? The old saying about the ounce of prevention has innumerable applications. Motor police have, it seems, established in Southtown several "watch towers" from which they swoop out to pounce upon the unwary driver who is not familiar with those short stretches where fast driving is inadvisable. The occasional individual who is "nabbed" is "cured," no doubt, but if the policeman who made the arrest had been busy patroling a larger section, showing up here, there, and everywhere, his ounces of prevention would have served to stop a deal more speeding and reduced the number of accidents chalked up at the close of the day. There is nothing to prevent him making an occasional arrest to keep the motorist properly respectful.

LET'S HEAR FROM THE TEACHERS

We are glad to see that the administration committee of the board of education has concurred with the school plan commission in approving the installation of junior high schools in the Chicago educational system. To our understanding, limited though perhaps it may be, the creation of the intermediate department in the public school system looks like a progressive step that will make our schools more adequately serve their purpose and we would like to see it instituted. It seems the teachers are opposing the reorganization, on just what grounds we would be interested to know. Certainly, a teacher has every opportunity to form a sounder judgment on a question of the kind under debate than have any of the rest of us, and their opinions should be consulted. Their approval and hearty co-operation would be highly essential to making the new plans carry through successfully if the change is made.

We wish the teachers would give us their views, either through newspaper columns or other publicity mediums, as to why we should have junior high schools or why we should not have them.

BETTER HOMES

By the Rev. A. Bauman, Pastor Ogden Park Methodist Church.

The month of May seems to abound in special days and special seasons. There are Mother's Day, Peace Day, Memorial Day, or Decoration Day, Boys' Week, Better Homes Week and what more! All of these days and weeks, it could easily be shown, center in the home. The home, after all, is the heart of society. If the heart be right, society will be right. If the heart is diseased, society will immediately show signs of ill health. A great deal has been said and written about the vanishing of the old-fashioned home. Some of these things, alas, are all too true. It may be some of us have become pessimistic about the outlook. We need to be reminded that while many homes are not in a healthy condition, there are many which still can be called good old-fashioned homes. However, it does behoove us all to take a new interest in the making of better homes. We should encourage home-building and home-ownership among us, but better still the restoration and the preservation of the best *ideals, habits,* and *relations* of home life.

Let us examine our own homes—it might be well for all of us to answer for ourselves the old, searching question of the prophet, "What have they seen in thy house?" If our home abounds in Love it will always be a *"Home Sweet Home."*

Where love abides, let it never be forgotten, God must dwell. Love has left many homes, because the God of Love has been crowded out. Give to God a new place, the supreme place in the home and then we will have better homes—homes which make for good mothers, splendid boys, genuine peace, and grateful memory. God bless our homes!

MISSIONARY RELATES TORTURES IN INDIA

Family idols, charms, toe rings, and magic syphon cups, used by native Brahmin priests to deceive natives, were exhibited by Allison Bryan, foreign missionary of the Presbyterian church, who spoke at the Marquette Park Presbyterian church, 65th st. and California ave., last Sunday evening.

Illustrating the persecutions to which both foreign and native Christians are subjected, Mr. Bryan related the instance of one of his native friends at Kolapur, who had entered Tibet on the pain of death. A choice of death in a pit, or through tortures of being sewn into a buffalo skin and put in the sun, where the hide would dry and gradually break every bone in his body, was given to the native at the time of his arrest. Choosing the pit, the man remained helpless for three days and nights, until some unknown native rescued him from starvation.

Acceptance of Christianity is increasing among the natives of India, Mr. Bryan said, in spite of poison and exile, to which converts are subjected.

LIONS TO BE GUESTS OF WOODLAWN DEN

Instead of their regular meeting at the Thoburn M. E. church Thursday the West Englewood Lions will visit the Pershing hotel, 64th st. and Cottage Grove ave., where they will be the guests of the Woodlawn club. Members of the club will meet at the church at 11:30 and will make the trip over to Woodlawn in a body.

Thirty-four members of the club eight accompanied by their wives, attended the state convention of the organization at Elgin Monday. Fifteen automobiles were used to transport the party.

In the club's drive for twenty new members a report was made at last week's meeting that five had been secured. The club aims to increase its membership from eighty to one hundred by July 1.

G. A. Lignell was the three minute speaker at the meeting and he won the silent booster, a pair of shoes furnished by William F. Wiesehan.

Announcement was made that a Lions night dance will be held May 23 by the Knights of Pythias.

FATHER PEREZ K. C. WILL GO TO AREA

Several hundred members of Father Perez Council, K. of C., will go to Area, Ill., Sunday for the ceremonies in connection with the laying of the corner stone for St. Mary of the Lake Seminary.

Mass will be celebrated at 11 o'clock in the morning in the seminary chapel and the corner stone will be placed personally by George Cardinal Mundelein during the afternoon. Attorney Emmett J. McCarthy, grand knight, will devote part of the Thursday evening meeting of the council, at 5319 Ashland ave., to plans for the event Sunday. The coming dance sponsored by the council also is to be discussed tonight.

Council members will not go to Area in a body. Many of them plan to make the trip by auto.

It was necessary for Mrs. C. T. Gill, 1477 W. 72nd pl., to postpone a week-end trip planned to Cedar Lake, Ind., the result of a fall last week. She is now under her physician's care but is improving, and expects to be about in a few days.

BELFAST MINISTERS WILL SPEAK HERE

The Rev. Robert Byers, the Rev. Geo. A. McIlwrath and the Rev. W. L. Northridge, all from Belfast, Ireland, will speak on the activities of the Christian church in Ireland, at the Thoburn M. E. church, 64th and Paulina sts., Sunday afternoon, May 25, at 2:30 o'clock, under the auspices of the Orange lodge. Thoburn orchestra will play.

IT TAKES *40 YEARS* TO BUILD A CEMETERY

Chicago's Most Beautiful Cemetery

Mount Greenwood

Is 45 Years Old

An almost unlimited and constant supply of water is essential in a cemetery to keep the grass green and the flowers, shrubs, and trees at their best.

Twelve Million Gallons of Water

Distributed through over *four miles of water pipes* in the grounds, and through over a mile of hose, were used in 1923, to help make and keep Mount Greenwood, Chicago's Most Beautiful and Best Cared for Cemetery.

REMEMBER The Mount Greenwood Cemetery Association Pays no Commissions on the Sale of Its Lots, to *Any Person*. It can, therefore, and does, price its lots to those needing them at what they are actually worth. A dollar expended, purchases in Mount Greenwood a dollar's worth of lot. Nothing is added to pay agents' commissions—there are no such agents employed.

Mount Greenwood is a present thing of wonderful beauty, not a paper cemetery, which can only reach full development a generation hence.

Chicago's Most Beautiful and Best Cared for Cemetery

Mount Greenwood

Telephone Beverly 4449 Morgan Park Station, Chicago

"She'll never see forty again"

Said Mrs. Jones, who was discussing Mrs. Smith with Mrs. Brown.

"She says she's thirty-five," said Mrs. Brown, "but oh, my dear!"

Moral: *It's not what you say, but what your face tells.*

And no woman ever looked or felt younger by soaking her hands, steaming her face over a washtub, and tiring her body washing clothes.

Why not let the laundry do it?—especially when "Rough Dry" service washes everything; irons flat work; fluffs woolens, hosiery and bath towels smooth, ready to use; and returns other work dry to be dampened and ironed at your convenience.

ELMER JORDAN BUYS 63RD ST. PROPERTY

One West Englewood realtor believes in investing in the commodity he sells. Elmer Jordan and company have just bought the 75x125 frontage on the south side of 63rd st. between Artesian and Campbell for $25,000.

Mr. Jordan also paid $30,000 for the one story brick building next to his office at 2417 W. 63rd st. The seller was William Brietzke of the Marquette Park State bank.

"The 200 feet of frontage I now own on 63rd st.," said Mr. Jordan, "is material indication that I believe 63rd st. will prove to be the greatest crosstown street in Chicago. It is cut by seventeen great railroads and as all the best trains must stop at 63rd, you can take a train for any part of America from 63rd st."

Let Your Rugs and Carpets be a Playground of Cleanliness for Your Children

Children were intended to be healthy, happy, playful little animals. You cannot keep them primly seated in stiff-backed chairs. They like to roll on the floor, kick their heels and raise the dust—if there is any to raise. But there shouldn't be any dust, nor a particle of germ-laden dirt in your rugs or carpets. Let your floor coverings be a playground of cleanliness. It is better for your children—cheaper than paying doctors' bills.

The Steam or Naphtha Process Puts New Cleanliness, New Life, New Lustre Into Carpets and Rugs

No matter how old and worn your rugs and carpets may be—no matter how badly begrimed and stained, our Special Liquid Process will clean them thoroughly, harmlessly. Lindblom Girls Slash Out Morgan Park

—Economist Photo

The hard slashes of Marie Kuglin, center, of Lindblom, won for her a singles fray while Elsie Zinaveah, right, helped Lindblom take the doubles that decided the match. Helen Crane at the left is the Morgan Park girl who defeated Frances Nickman of the local school.

Lindblom girls defeated Morgan Park, 2 to 1, in the girl's prep league tennis matches at Ogden Park Thursday.

Marie Kuglin of Lindblom trimmed Lillian Bowden in the singles, 6-3, 6-4, and Helen Crane of Morgan Park downed Frances Nickman, 6-4, 6-3, to split this half of the bill.

In the doubles which decided the meet, Elsie Nickman and Elizabeth Zinaveah of Lindblom won out over Betty Lowrie and Ruth Kinsley after a hard fight. The first set went to the Lindblom pair, 6-1, but the Morgan Park girls rallied in the next set and won 2-6. The final set went into extra games before Lindblom won, 7-5.

SHAKEUP IN LINDBLOM NINE HELPS HARRISON TO ONE-SIDED VICTORY

COACH FARMER REMOVES ALL VETERANS TO GIVE NEWCOMERS EXPERIENCE

With all the veterans missing from the lineup, Lindblom was smothered 16 to 3 by Harrison Tech on the west siders' field Monday. Hopes gone for the team making a commendable showing in the prep league race, Coach Farmer has begun to lay plans for next year. He has taken Cooper, Mathy, Wahlen, Lewandowski and other veterans, who will graduate before next season, off the roster. This leaves the newcomers whom he hopes to get experienced before 1925 rolls around.

Against such inexperienced opposition, Harrison had an easy time and piled up the sixteen runs in five rounds at bat. After the fifth, the west siders passed up their turn at the plate and continued to let Lindblom bat around till the regulation seven frames were up.

Lindblom is slated to meet the Tilden Tech team Friday at White Giants park where the remaining prep league games in the central section will be played. This is the last game on the regular schedule but Lindblom has several postponed games to play off.

Score:		R	H	E
Lindblom	100 010 1—	3	6	3
Harrison	924 01x x—	16	15	2

Batteries—Hanson, Zalgiewicz and Conrad, Chemicek and Guzik.

Lindblom was handed another defeat in the central section of the prep league race at White City Thursday, Englewood trouncing the Honore st. nine, 8 to 3, the second time this season.

Robert Kaplan's stellar pitching, coupled with some brilliant fielding by his mates, was largely responsible for the Purple's sixth straight win. Up to the last inning Kaplan allowed only two hits and held his opponents scoring.

News of Southtown Boxers

By "Battling" Jack Nelson
Welterweight Champion, 1911-1914

The club which is being organized to stage wrestling shows in the district is getting well under way. They may wait till the fall season to start their shows as the present season is almost over. However, if they have the assurance that enough fans will attend they will put on some events this season. Comments on this will be appreciated. Address to the writer in care of this paper.

Peter O'Donnell, our welterweight pride, is going to be a busy man with the padded mits in the near future. His manager is lining up a series of contests that will bring Pete up among the real title contenders. On June 9 Pete will box Jack Sheppard of Cincinnatti in the ten round main bout at Huntington, Ind. They are to scale the welterweight limit of 147 pounds and if Pete beats Sheppard, he can ask for a shot at Mickey Walker's welterweight title. Sheppard has a record of wins over good men as long as your arm. But O'Donnell also has a good record and will put Southtown on the map.

Received a letter from Paul Allen, a promising young 122-pounder from Englewood. Allen is a product of the amateur ranks and says he had almost forty contests, including three as a professional. He lost only three of these and his latest was a win over Joey Franks of Pullman He asked me to line up some matches for him.

George Bretz, the Englewood contender for the welterweight wrestling championship, says he believes that Jack Reynolds, the champion, fears to take a chance with him. And no wonder Bretz has given the middleweight champions a hard run so should do better against a man his own weight. Several local clubs want to arrange a Bretz vs. Reynolds bout but can't sign Reynolds.

The Woodlawn Business Men's gym was the scene of some lively boxing Monday evening when the amateurs swung into action. Jack Berry won over Bill Sutherland at 145 pounds, Jack Barnett beat Herman Kester at 125 pounds, Carl Gallo defeated George Mavis at 125 pounds, and Herbie Baxter got the verdict over Kid Dugan at 110 pounds.

Dugan disputed the decision and as it was close, they are matched to box the main event of the card on next Monday evening. These amateur shows are becoming quite popular and many fans are attending weekly.

BOYS OF HAMILTON AND OGDEN PARKS TO PARADE SATURDAY

COMPETIVE ATHLETIC EVENTS THROUGHOUT CITY PARKS ON BOYS' WEEK PROGRAM

Observance of Boys' Week at both Ogden and Hamilton Parks will be in keeping with the city wide program for the various parks. Emphasis of this program is placed on the events scheduled for Wednesday and Saturday.

Competing in the individual parks, scores made in atnletic events will be checked up in the general park offices to decide the champions for the city. Wednesday, the athletic day of the week, outdoor, indoor and swimming meets will be held.

To assure fairness in the contests, boys have been grouped according to their ages, into the unit under 15 years of age, the group from 15 to under 18, and the division of 18 to under 20. In each of the groups the outdoor meet calls for the running high jump, chinning the bar, and 50-yard, 75-yard, and 100-yard dashes for the different groups respectively.

Both Ogden and Hamilton Parks will take part in the outdoor meet, but a lack of park facilities makes it impossible for Hamilton to have any entrants in swimming, since there is no pool in the park.

Saturday is the big day for the boys all over the city. At 10 o'clock in the morning the kite flying tournament will take place at Grant Park, E. Van Buren and Lake sts Forming into representative groups, the boys will march in the big Loyalty parade that will start in the loop district. Thousands of boys will pass the reviewer's stand on Michigan ave. where Mayor Dever and other officials will be stationed.

Organized into twelve grammar school baseball teams, that make up the grammar school league in the Hamilton Park neighborhood, the boys from the various teams will march, carrying the banner of their individual teams. Other boys from the park district will march in the group of gymnasium boys. Boys from the gym of Ogden Park will be supplied with balloons and other toys that can be used as noise makers in the parade.

For the purpose of being heard, Hamilton Park will head its parade with the Auburn Lion Boys' band.

Meeting places have been arranged in the field houses of the different parks. Boys who wish to attend the kite tournament will meet at the Field houses of the parks at 9 o'clock in the morning. The time for meeting in order to be at the parade will be 11:30 o'clock.

TROY'S HOMER STARTS THOBURN TO 6-5 VICTORY

Church Team Trims Y. M. C. A. Hotel in Practice Game

Filling in an open date in the church league schedule Saturday, Thoburn seniors nosed out the Y. M. C. A. hotel nine at Grant park by a 6 to 5 count.

Troy's homer started the run making for the victors in the first inning. Davis had singled and was on base when the circuit clout came. Two walks, followed by Holl's single, hiked the total run of tallies to three before the inning closed. The "Y" team came back in their half of the inning and put across two markers.

Davis featured the game with some brilliant fielding and in the fourth he made a homer with one of his mates on.

Natchway led the Y team's attack with a double and two singles. His double in the ninth inning, scoring Oliver, brought his team within one run of tying the count. Two outs had been registered and Natchway was marooned on the keystone sack.

GIANTS TRIM NORMALS IN EIGHT RUN RALLY

Collecting eight runs in one big inning, the Chicago Giants had little difficulty in slipping an 11 to 7 defeat Sunday to the Normals on the Normals' diamond, 61st and Racine.

Plenty of heavy hitting featured the combat, ten of the total of thirty-one hits made by both teams going into extra bases. The visitors clouted the Normal hurlers for a total of twenty hits.

Johnson and Wesley, the Giant slabists, fared little better, their delivery being nicked for fourteen blows, but they had the ability to keep the hits from bunching.

Brown, the Normals new first sacker, showed up well by driving out two triples and fielding faultlessly.

RASTER BOY WINS MARBLE CHAMPIONSHIP

Pasquale Iannone, 13 year old representative of Raster playground, Saturday won the city marble championship at Grant Park, with a final score of 22. In June he will go to Atlantic City to compete in the national tournament.

Two other boys from the Raster playground, 70th and Wood sts, also made good records in the finals, Romeo Francone winning second place, and Lewis Sorrentino, fourth. Both received silver medals. Their scores were 6 and 3, respectively.

Director Albert J. Paulson is responsible for the boys' training. Last year Iannone placed third.

Rules of the contest required that all players be under 15 years of age on June 1. For that reason, Walter Pate of Moseley school, last year's city champion, was ineligible, as he is over the age limit.

A large crowd of mibs fans watched the games, and was kept in order by 500 junior police. Six winners of school playground preliminaries competed.

When the high school golf tournament opens next month, these two lads from Hilden are expected to be among the favorites. Harry Speckin, on the left, is seen at the finish of his drive, and Edward Lyons is ready to send the ball to the green with his mashie. - Southtown Economist Photo

STOCKYARDS COPS QUIT WHEN ENGLEWOOD GETS 18 TO 3 LEAD

VEITH AND DELLENBERG HOLD LOSERS TO THREE HITS AS MATES CLOUT

After Englewood had battered out eighteen runs in six innings, Stock Yards coppers gave up their opening game in the Police league Wednesday of last week at Sherman Park with the score standing at 18 to 3.

Gerhardt Veith and Dellenberg performed on the slab for the victors. Veith hurled the first four frames and was nicked for only two hits although a bit ragged support in the first round gave Stock Yards their chance to score their trio of tallies. Dellenberg, in the two innings he was on the mound, gave only one hit.

Three hurlers tried to stop Englewood for the Stock Yards nine but none of their twirls were effective. Chilly weather was responsible for the many errors of both teams. Englewood's heavy hitting ability makes them loom as favorites in the south section of the Police league.

The remainder of the schedule for the Stock Yards' nine for the first half of the season is as follows:

May 21, Stock Yards at Hyde Park; May 28, Burnside at Stock Yards; June 4, Kensington at Stock Yards; June 11, Stock Yards at Grand Crossing; June 18, Stockyards at Englewood; June 25, Hyde Park at Stock Yards; July 2, Stock Yards at Burnside; July 9, Stock Yards at Kensington; July 16, Grand Crossing at Stock Yards.

HAMILTON TENNIS CLUB TO HOLD TOURNAMENT

Entries are being received for the annual tennis tournament to be staged Memorial day and the Saturday and Sunday following by the Hamilton Park Tennis club on their courts at the park, 72nd st. and Normal ave. Both men's singles and doubles will be held and entry may be made by all who care to compete.

The tournament has the sanction of the Chicago Tennis association. Prizes will be awarded to winners and runnersup in both singles and doubles.

F. R. Linroth, 6933 Eggleston ave., telephone Wentworth 6354, chairman of the tournament committee, is receiving entries, which must be in by noon Wednesday.

HOPE NIPS LUTHERAN LEAGUE CHAMPIONS

Oak Park church, champions in the Lutheran league last year, were handed an early season upset by the Hope Evangelical Lutherans, 6 to 3, at Ogden park Sunday.

Norman Raschke again starred for the victors by holding his opponents to four hits and retiring thirteen by the strike-out route. The visitors did all their scoring in the first inning by taking advantage of a couple of costly errors by Gariess and Marquardt. In addition to taking the honors on the mound Raschke drove out a double and scored two mates.

PALS BEAT RAMBLERS IN TEN INNING GAME

The Pals defeated the Ramblers in a ten inning game Sunday, May 11, by a score of 9-8. Hard hitting was featured on both sides. George Yandell and Bill Enright were batteries for the Pals and the Ramblers had Johnnie Clerkin and Francis Maloney. Games with the Ramblers may be scheduled by calling Prospect 4986 and asking for Tom.

PARKER TANKERS DUCK LINDBLOM IN DUAL MEET

Peterson of Losers' Squad Tops Individuals With Three Firsts

Although Richard Peterson of Lindblom took three firsts in the six individual events on the card, Parker tankers ducked the West Englewood natators, 37 to 21, in a dual meet in the Green and White tank Thursday.

Peterson romped off with the honors in the 100 yard breast stroke when he finished almost twelve seconds before Coleman of Parker; he came in first in the cross chest carry and won the head carry. The three firsts gave him fifteen points, all but six scored by his team, and carried off the individual honors. Nelson's second place in the 100 yard free style and third places by Haugen and McNamara made up the remaining half dozen points.

Cornelius Oker took first place both in the free style events, winning by a lengthy margin. Frary of Parker placed first in the tired swimmer carry to round out the meet.

Summaries:

40 yard free style—Oker, Parker, first; Frary, Parker, second, Haugen, Lindblom, third. Time—0:20.

BOYS' CLUB "BARNYARD GOLF" TOURNEY IS ON

Members of the Chicago Boys' Club Four, 6405 Hermitage ave., are participating in a horse shoe tournament in observance of Boys' Week. Twenty-five boys entered the junior division, and twenty, the senior, which played during this week. Finals for the midgets will be held next week, with forty-five boys throwing.

Director Norman H. Cook hopes to have twenty-five men entered in the tournament for fathers of the members. This division to begin pitching Monday evening.

Prizes will be awarded the winners, gold medals going to the winners of the singles and doubles. Silver and bronze medals will be given the winners of second and third places in each class. Instructors at the club will act as judges.

The club's first baseball team in the midget class, made up of boys under 14 years of age, has won all of the eight games played this season at Ogden Park. With many of last year's players still eligible, the boys are expected to make a good record, following their 1923 performance of winning twenty-two out of twenty-three games played.

PREP FENCERS, GYMNASTS TO MEET SATURDAY

Twelve Entries Received from Schools for First Annual Tourney

Entries have been received from twelve high schools for the first annual gymnastic and fencing tournament to be held in the Englewood high school gym Saturday morning. This tournament, which is an innovation in prep athletics, has drawn a great amount of interest, and competition promises to be keen.

Gymnastic work has been made a major sport and a large shield will be awarded the winning squad. A minor shield will be given to the fencing squad collecting the most points. For the individual contestants there will be ribbons furnished by the Board of Education and in addition, medals to be awarded by Tegtmeier brothers. The medals will be given to the three high point men on all around apparatus work and to the three winning fencers. The ribbons will be given to the three who register the most points on each separate piece of apparatus.

The fencing tournament will be run off in round robin order.

The gymnasts are required to do one obligatory exercise and one optional exercise on the parallel bars, the horizontal bar, the long and the side horse. The obligatory exercise will be scored on the basis of ten points for perfect execution, while the optional feat will be counted ten points for execution and five points for the difficulty of the exercise.

Hopes are high at Englewood for that school's chances in the meet. Henry J. Smidl, athletic instructor, has been active in gymnastic work and he formed a team before it was added to the athletic curriculum of the other schools. He has a squad now that looms as one of the strong favorites. Hopkins, Zaritsky, Wall, Gross, Sanchez and Parisi compose the team.

Whitting, Sweetman and McCullough make up the Purple fencing team.

ENGLEWOOD BESTS LINDBLOM AT TENNIS

Winning the doubles and one of the singles matches, Englewood tennis players defeated Lindblom in tennis at Hamilton park Monday.

Harvey Soulman, the only Purple racquet wielder to lose, put up a hard fight with Harry Ohlinger of Lindblom. He won the first set, 6-4, lost the second, 6-8, and then went all the way to 11-13 before he dropped the final set of the match.

Edward Maloney trimmed Lejeck two straight sets, 6-4, 6-4. In the doubles the Englewood team, composed of Sweetman and Stevens, defeated Grysinski and Wikgren, 6-1, 3-6, 6-2.

Out of the Rough

By Fred S. Clisbee

Article 15

The player just taking up the game of golf seems chiefly concerned with the kind and number of clubs to obtain and when they should be used and whether or not they have to be used in rotation.

If they can be set right in this particular the rest is simple, they think. However the discovery is soon made that it isn't entirely the clubs but the method of using them that gets the ball in the hole in the least number of strokes. I would suggest that the player starting golf get less clubs but better ones. The general advice is to get the cheapest so that if you break them it isn't much loss. However, in a great many cases this practice is false economy. A good club does not necessarily mean the finest or the most expensive. A plain club of the best material is all that is needed and can be purchased for about half what the fancy ivory faced and patented brass sole clubs on the market cost.

You need only four or five clubs at the most to start out with; namely the brassie, mid iron, mashie, and putter. If you get five clubs, select a mashie niblic for the fifth. After a few rounds of play you will have a pretty good idea of what these clubs will do for you in regard to distance. Then play them accordingly, using the 200-yard club for the 200-yard shot, 150-yard club on the 150-yard shot, etc.

In other words, it's up to you to catalogue the results obtained by your various clubs and use that one when a similar shot comes up. You can use your brassie for your tee shot, also on the fairway where length is needed, providing the ball is lying up well. If it is low or in a hole, it would be best to resort to the midiron which gives the most distance of any of your iron clubs. The mashie is used on the shorter shots approaching to the green. Learning to pitch the ball to a spot you have previously picked out which will allow for the right amount of roll to bring the ball up even with the hole. The mashie niblic is the best club to use on approaches to the green that are trapped and bunkered. It will also get the ball out of the long grass better and is the safest club of all to recover from the sand pit.

The putter is used entirely on the putting green so there need be no confusion as to the use of this club. Play the clubs according to your game, using your best shot with each club as your standard and the standard will steadily increase.

A Cutting Americanism

A London tailor observes that Americans are demanding English-cut clothes—which is interesting in that it proves that English clothes are cut. To us it has always appeared that English clothes were hung on and then the wearer prt through a mangle.—Buffalo Express.

LOCKS UP WOMEN STORE PROPRIETORS

Locking the two women proprietors of the delicatessen store at 2855 W. 59th st. into a room in the rear, a youthful bandit Friday morning stole $60 from the cash register.

Miss Mabel Telander and her mother, Mrs. Clara Telander, were in the store when the bandit entered. He flourished a revolver and forced them into one of the living rooms at the rear of the store. Then he locked them in, robbed the till, and fled.

The screams of the imprisoned women were heard by a neighbor who released them a few moments after the youth escaped.

According to Miss Telander, she has seen the bandit in the store before and she gave information to the Englewood police, to whom she reported the robbery, that may lead to his arrest.

GIRL NEARLY DROWNS IN DITCH WATER AS AUTO IS OVERTURNED

BROKEN GEAR CAUSES DRIVER TO LOSE CONTROL OF CAR; MISS HACKER HURT

Death by drowning threatened Miss Elizabeth Hacker, 24, 6231 Artesian ave., in the early hours Wednesday morning of last week when she was pinned under a heavy automobile in two feet of water. The driver of the car in which she and three friends were riding home from Former Alderman Joseph Ryan's roadhouse, 111th st. and Union ave., lost control of it when the steering gear broke. The car was going at a rapid rate when the accident happened.

Arthur Pierson, 22, 6021 Bishop st., proprietor of a drug store, held Miss Hacker's head out of water until he and the others of the party became exhausted and unconscious from the shock and their injuries. With him were Joseph Conrad, 21, 8626 Stewart ave., and his friend, Miss Mary Davis, 23, 8636 Elizabeth st. They suffered minor bruises and cuts.

Help came after they had been in the ditch at Ewing ave. and 111th st. about forty minutes. It required twenty-five men to lift the car from the ditch. The injured passengers were removed at once to Englewood hospital. Five stitches were taken in Miss Davis' knee. Miss Hacker was the most seriously injured. One of her ribs was broken and she was threatened with pneumonia. She will be unable to leave the hospital for some time. The men have practically recovered from the accident.

MOVE AWAY PORTABLES FOR ADDITION AT GAGE PARK SCHOOL

EXPECT WORK ON SIX ROOM IMPROVEMENT TO BEGIN DURING COMING MONTH

Promises of an addition to the overcrowded Gage Park school, 5516 Maplewood ave. began to assume an aspect of performance within the last fortnight when a gang of movers appeared at the institution and started to remove the portables adjacent to the main building from their location on Rockwell to a point nearby on Maplewood ave.

Extra shifts of pupils have as a result been sent to the central school temporarily. One portable school is moved at a time and each week Gage Park school itself houses an additional 135 students who normally attend classes in some of the portables.

Unless the weather interferes with the dozen men in charge of moving, work on the new school addition should begin during the coming month, Miss Gertrude English, principal, stated recently.

Six class rooms are to be added to each end of the present Gage Park school to maintain the symmetry of the building. Additions will cost $275,000. There will be a manual training and a kindergarten room in the new structures.

GAGE PARKERS' WORK TO HAVE PUBLICITY

Henry J. Klinke, 5418 Artesian ave., was appointed chairman of the publicity committee for the Gage Park Improvement association at its meeting Friday evening, May 9, in the park Field house. Other members of the committee are Louis Lew, 2506 W. 55th st., and J. Duhasek, 2503 W. 54th st.

Membership in the improvement association now numbers 316 men and women, all working for the betterment of Gage Park schools, streets and playgrounds.

Another project now under consideration is the securing of a new Field house and equipment for the park. Mrs. D. C. McLain is chairman of the committee to confer with South Park commissioners on this matter. Working with her are Mrs. Louis Lew, Mr. Klinke, and Senator Robert W. Schulze, 5420 Artesian ave., secretary of the association.

Those who will appear on the program are Charlotte Neu, Anna Kecler, Bernice Spiesberger, Frances Phelps, Ellen Gilmore, William Lamprecht, Grace Cihak, Lorraine Merrill, Erna Marquardt, Rose Mayer, June Bodin, Helen Silhanek, Bernice Stanton, Evelyn Speisberger, Florence Curran, Rose Gilmore, Alyce Mae Johnson, Mary Robertson, Marjorie Kennedy, Bernice Feinberg, Charles Dety, Eleanor Mandernach, Catherine Colan, Mary Louise Fuhey, Annabel Konecky, Veronica Camutz, and Reba Thomas.

Organization Attends Play In Body

The members of the 18th Ward National Republican Woman's organization Deneen group, met at the corner of 69th st. and Wentworth ave., Friday evening, May 16, to attend, in a body, the entertainment given by the Juvenile Service league at Englewood Masonic temple. Seats were reserved for the club and the members introduced and thanked for their support.

The regular business meeting was held Monday evening at the home of the president Mrs. Eva L. Beukinga, where plans were outlined for the club's activities during the next few months. A delicious luncheon was served by the president's daughter, Miss Lola Beukinga. An honored guest of the evening was Herman C. Vaandenberg, ward committeeman.

LOCKS UP WOMEN STORE PROPRIETORS

Locking the two women proprietors of the delicatessen store at 2855 W. 59th st. into a room in the rear, a youthful bandit Friday morning stole $60 from the cash register.

Miss Mabel Telander and her mother, Mrs. Clara Telander, were in the store when the bandit entered. He flourished a revolver and forced them into one of the living rooms at the rear of the store. Then he locked them in, robbed the till, and fled.

The screams of the imprisoned women were heard by a neighbor who released them a few moments after the youth escaped.

According to Miss Telander, she has seen the bandit in the store before and she gave information to the Englewood police, to whom she reported the robbery, that may lead to his arrest.

GIRL NEARLY DROWNS IN DITCH WATER AS AUTO IS OVERTURNED

BROKEN GEAR CAUSES DRIVER TO LOSE CONTROL OF CAR; MISS HACKER HURT

Death by drowning threatened Miss Elizabeth Hacker, 21, 6231 Artesian ave., in the early hours Wednesday morning of last week when she was pinned under a heavy automobile in two feet of water. The driver of the car in which she and three friends were riding home from Former Alderman Joseph Ryan's roadhouse, 111th st. and Union ave., lost control of it when the steering gear broke. The car was going at a rapid rate when the accident happened.

Arthur Pierson, 22, 6021 Bishop st., proprietor of a drug store, held Miss Hacker's head out of water until he and the others of the party became exhausted and unconscious from the shock and their injuries. With him were Joseph Conrad, 21, 8626 Stewart ave., and his friend, Miss Mary Davis, 23, 8636 Elizabeth st. They suffered minor bruises and cuts.

Help came after they had been in the ditch at Ewing ave. and 111th st. about *forty minutes*. It required twenty-five men to lift the car from the ditch. The injured passengers were removed at once to Englewood hospital. Five stitches were taken in Miss Davis' knee. Miss Hacker was the most seriously injured. One of her ribs was broken and she was threatened with pneumonia. She will be unable to leave the hospital for some time. The men have practically recovered from the accident.

MOVE AWAY PORTABLES FOR ADDITION AT GAGE PARK SCHOOL

EXPECT WORK ON SIX ROOM IMPROVEMENT TO BEGIN DURING COMING MONTH

Promises of an addition to the overcrowded Gage Park school, 5516 Maplewood ave. began to assume an aspect of performance within the last fortnight when a gang of movers appeared at the institution and started to remove the portables adjacent to the main building from their location on Rockwell to a point nearby on Maplewood ave.

Extra shifts of pupils have as a result been sent to the central school temporarily. One portable school is moved at a time and each week Gage Park school itself houses an additional 135 students who normally attend classes in some of the portables.

Unless the weather interferes with the dozen men in charge of moving, work on the new school addition should begin during the coming month, Miss Gertrude English, principal, stated recently.

Six class rooms are to be added to each end of the present Gage Park school to maintain the symmetry of the building. Additions will cost $275,000. There will be a manual training and a kindergarten room in the new structures.

GAGE PARKERS' WORK TO HAVE PUBLICITY

Henry J. Klinke, 5418 Artesian ave., was appointed chairman of the publicity committee for the Gage Park Improvement association at its meeting Friday evening, May 9, in the park Field house. Other members of the committee are Louis Lew, 2506 W. 55th st., and J. Duhasek, 2503 W. 54th st.

Membership in the improvement association now numbers 316 men and women, all working for the betterment of Gage Park schools, streets and playgrounds.

Another project now under consideration is the securing of a new Field house and equipment for the park. Mrs. D. C. McLain is chairman of the committee to confer with South Park commissioners on this matter. Working with her are Mrs. Louis Lew, Mr. Klinke, and Senator Robert W. Schulze, 5420 Artesian ave., secretary of the association.

Issue Secured by First Mortgage on

Murphy Apartments

6201-03 South Richmond Street

6% - First Mortgage Serial Gold Bonds

Dated March 15, 1924. Due serially, March 15, 1926-29. Interest payable semi-annually on September 15 and March 15. Coupon bonds, registerable as to principal, in denominations of $1,000, $500, $200, $100. Redeemable at 102 in reverse numerical order.

Security—The land 59.85x125 feet, at the southeast corner of 62nd and Richmond Streets is being improved by a two-story and basement brick and Bedford stone apartment building containing a total of eight apartments, comprising two apartments of five rooms, two of six rooms and four of four rooms each with baths.

Appointments—Living rooms finished in birch mahogany with fireplaces and bookcases, paneled dining rooms with buffets finished in oak, bedrooms finished in walnut and white enamel, kitchens in natural birch with ice boxes and gas ranges. Bathrooms all finished in white enamel with tile floors. Steam heat and all modern conveniences.

Location—The Murphy Apartments are located at 6201-03 South Richmond Street, in the heart of the Marquette Manor district, being only a few blocks from the business section of 63rd Street and Kedzie Avenue.

Income—The large demand for apartments of this type together with the unusual high grade character and location of the building, will produce, according to the owners, an estimated net income over three times the heaviest yearly interest payments.

Valuation—We estimate the value of land and improvements at $70,000.00, which is over twice the total amount of bond issue.

Safeguards—As usual, this issue provides for the protection of the bondholders. Annual reduction of the total indebtedness beginning the second year, certification by the trustee, guaranteeing genuineness of all bonds.

Borrowers—The owners of the property and the signers of the bonds are John Murphy and Mary Murphy, his wife. We consider them thoroughly responsible, financially.
